

Agnès Mellon, soprano

She likes, she doesn't like

She likes to sing, she doesn't like trivial texts.

She likes taking breaks with musicians.

She doesn't like divas. She hates tension.

She likes to tackle a vast repertoire. She doesn't like labels.

She likes teaching.

She adores certain sports.

She doesn't like days that are too short (or nights either, for that matter).

She likes thinking up new programs and finding a common thread.

She doesn't like tapioca, but she adores chocolate.

She likes sewing, gardening, cooking...she likes silence!

She likes getting right into her characters.

She likes...she doesn't like...whatever way, she sings.
